Betty Crocker Complete Thanksgiving Cookbook: All You Need To Cook A Foolproof Dinner

Synopsis

The Complete Hands-On Guide to Cooking a Great Thanksgiving Meal Whether you're cooking Thanksgiving dinner for the first time or have hosted this celebration for years, here's all you need to know to make your holiday special. Thanksgiving can be the most challenging meal to prepare—even for the most experienced cooks. Betty Crocker comes to the rescue with this complete do-it-yourself guide to making Thanksgiving delicious. Here are the treasured recipes with all the trimmings that you grew up with, plus plenty of great new twists on the traditional. You'll find:

- * The most popular and time-tested recipes for the classics, from roast turkey with pan gravy and bread stuffing to pumpkin, apple and pecan pies and much more
- * New and innovative ways with the bird include brining, grilling, smoking and even deep-frying, plus plenty of inventive ideas for turkey alternatives
- * Easy how-to's for tricky techniques cover carving the turkey, making lump-free gravy and rolling out pie dough, plus how to safely take food on the road
- * Menu ideas to suit everyone, whether vegetarian, diabetic, on a low-fat diet, or a first-time cook, plus easy ways to cook for a crowd of 20 or more
- * Countdown menus to time every step, from starting some recipes days (or weeks) ahead, to setting the table, to making gravy so it's piping hot when dinner's served
- * Mouthwatering color photos of your favorite Thanksgiving foods for ideas and inspiration
- * 130 tested and trusted recipes in all, to make this year's Thanksgiving your most memorable—and delicious—feast ever!

Customer Reviews

The trouble with a lot of Thanksgiving cookbooks is that they throw so many new and quite exotic

dishes at the reader. I think most people still prefer their Thanksgiving with all of the traditional dishes. Betty Crocker's book does just that while still giving you some new things to try, without making them too intimidating for the novice cook. Add to that the best sections of the book may be the sections on planning your dinner from shopping to all the make-aheads to getting the turkey ready for the oven. You'll find all of the great traditional fare in this book with straight forward and easy to follow recipes no matter what the size of your gathering. If you're a traditionalist like me, then this is the book for you.

Lots of good recipes especially for someone attempting to fix their first Thanksgiving meal. Most are easy to make, lots of both traditional and updated holiday recipes. The instructions are easy to follow. Not so many recipes to choose from but makes it easier to plan a meal.

This book is great...even a novice like me can create amazing dishes by following this book. Betty Crocker shows you the easy way to roast a turkey and prepare the side dishes and desserts that go with a Thanksgiving meal. Thank you, thank you.

I may have to get this cookbook for my sister in law who has been married probably 30 years or so and still has not cooked a turkey. She is absolutely scared to death. :-) I found the recipes to be good and easy for a beginner especially. I just don't want to hurt her feelings so I am tiptoeing around the suggestion. :-)

From simple to experienced, this book does it all. With young cooks in the family, this book was a way to make them feel like they were as experienced as those that have prepared the traditional meal for years. It is simple to read with big pictures, easy instructions, so many recipes & with pages that will not be ruined with the occasional spill.

I purchased this book before I hosted my first Thanksgiving and I still use it as a reference. It has a good combination of traditional and modern dinners. The book also offers ideas on how to mix ideas. The time saver tips are helpful, and the different options on cooking a turkey are fun. Really important is the instructions are easy to follow.
