Customer Reviews

With Christmas just around the corner I have been thinking of what meals to serve during the holidays. I wanted more than the usual stuff and saw this recipe book Ã¢Â€Â“Paleo Holiday Recipes. I did a little research as to what is Paleo and was very surprised and now interested in this new type of diet. ItÃ¢Â€Â™s not a diet of restrictions, but one for healthy eating Ã¢Â€Â“eating natural foods prepared in tasty ways. No raw food to make you sick! Paleo Holiday Recipes has interesting recipes such as the Butternut Squash Soup, Pumpkin Smoothie and the Cranberry Crockpot Chicken. The recipes were easy to follow and so simple! I so want to get started on the

pumpkin porridge, the pumpkin smoothie and the chocolate pecan tarts. I hope my finished products will look like the pictures in the book. I also liked the encouragement and wisdom that Chef Terry sprinkles in the book. We know sugar cookies are just that "sugar. But he doesn't make you think it's all bad when you try out the recipe for Almond Flour Cookies. Paleo looks like a new way to try in making more tasty meals without the guilt. I will certainly be trying out a number of these recipes.

I love this collection of recipes! The Roasted Pork Loin with Onion was so easy to prepare, and so delicious! I will be trying many more recipes from the Paleo Holiday Recipe Book! I am so happy with how it all turns out, that I am slowly acquiring a library of Terry Hatfields' Paleo cookbooks!

Easily the best cookbook for those with dietary restrictions, although you don't have to be on a restricted diet to love these recipes. Terry just saved my holidays! Perfect for the whole family year round.

Thanksgiving without grains can be tough! This recipe book was a great resource as I tried to adapt our traditional fare to my dietary needs last Thanksgiving.

My hubby and I love these recipes. Everything is very easy to follow and delicious. Thank you! I will keep this book forever on my Ipad.

This book actually has recipes that are easy to make and look good! One of the better paleo recipe books I've encountered so far.

Didn't find much that interested me, but doesn't mean it wasn't a good book for the price....anything for free is good

This has great holiday recipes. I will be making a lot of them over the holidays. Easy to understand directions.
