Loving all things potato as I do this book was a must for me. This slim book is filled with quick delicious potato recipes. I've made about half the recipes and loved them all. Although nothing can compete with my grandparents' mashed potatoes they used to make when I was a kid - my grandpa would mash and my grandma would add in the perfect ingredients - the recipe for three cheese mashed potatoes comes close...in a spicy kinda way. If you love potatoes you will not be disappointed.
