The Black Family Reunion Cookbook

Synopsis

The Black Family Reunion Celebrations, organized by The National Council of Negro Women and held in seven cities across America every summer, celebrate and preserve the values, traditions, and strengths of the African-American family. Inspired by these festivals, The Black Family Reunion Cookbook contains more than 250 recipes from home kitchens across America, seasoned with warm memories and a homemade love. Including personal reminiscences from celebrities such as Natalie Cole, Wilma Rudolph, Patti LaBelle, and Spelman College President Johnetta Cole, this unique collection reflects the local, national, and international heritage of the Black community. It offers dishes for every occasion and every taste, from African-inspired Mustard Greens with Peanut Sauce to down-home Family Famous Chicken and Dumplings, from a traditional gumbo to sophisticated Sweet Potato Smoked Turkey Bisque, and, in honor of the council's founder, Mary McLeod Bethune, her own recipe for her celebrated Sweet Potato Pie.

I've owned this book for over five years, and it is best cookbook I own. Recipes are well-tested, don't cost very much to make, use readily available ingredients, and many are simple enough to make for weeknight suppers. I recommend the chicken gumbo, the Carter Hill barbeque ribs, the eggplant casserole, the yam pork chop skillet, the Jamaican banana cake, and the honey crunch pecan pie. I recommend this cookbook as a gift for college students because the recipes are easy and delicious.

I keep this book in my kitchen. I do so because I often use it for the biscuit recipe and also when I'm making out my food shopping list and I need ideas on what to cook. I also read this book while I'm in my kitchen "watching a pan". The stories in this book are most entertaining and help the time fly by. It's not the best soul food cookbook I've ever owned (that would be Patti Labelle's cookbook), but it is certainly in the top five. Especially for the new soul food cook, this book is a good investment.

This is the best cookbook!!! I bought it for my mom and then ended up borrowing it so much I had to buy my own! The recipes are incredible!! I have not found a bad one yet. Mac & Cheese is amazing!!

The Black Family Reunion Cookbook came just in time for my own family reunion this past weekend - July 4, 2005. It's an excellent choice for newcomers or oldheads like myself. It takes you back to the good days when your mother was in the kitchen whipping up a delicious peach cobbler or some tasty macaroni and cheese. I just loved this! Every single recipe took me back to my youth. It was funny running across dishes that I had forgotten about. Whether you're African American or Hispanic, you will love this cookbook!! Highly recommended to the world of book lovers

my wife cooks using this cook book often. The banana pudding, the jumbalaya, and all sorts of barbecue dishes. I recommend it to all of you soul food lovers out there.

I have had this book for over 10 years, and I'm white. I bought this book when I was dating a black (african american) guy and wanted to cook him the foods that he liked. I still refer to it from time to time, but the best recipe is the macaroni and cheese. I get so many compliments when I make it for family dinners and potlucks, and everyone asks me for the recipe.

I have had this cookbook for a few years now and I recommend to all my friends and family. I have even bought it as gifts too. I find the recipes to be very easy to follow and delicious. I would recommend this to anyone who is looking to learn to cook soul food or advanced cooks!

I've had this book for several years now and I it is one of my favorites. Since I started making the Macaroni and Cheese Deluxe, it is expected that I make it for every family gathering, which is great because it is so easy to make and so delicious!
