This is a nice collection of recipes. I am a single person so I need recipes that are small or can be easily frozen for later. I found many recipes that fit the bill. There is a big variety to choose from each day!

I have been cooking for several trainers lately. One-dish meals are the easiest to take to them, so I

decided to get this cookbook. I have used two recipes from this, so far, and both were hits. I made the Southwest Lasagna and the Chicken with Wild Rice and Pecans. I know I will be making them again and will be trying other recipes I have flagged as having potential. I have some books I find very few things to even consider, so I consider a book a success when I have flagged at least 8 recipes. I may find even more when I go through it again.

What a nice cookbook. It just arrived and we made the Skillet Apple Pie. Ooooh my.....amazing pie and easy to make. If I don't make anything else, the book has already paid for itself in yumminess. The recipes seem to be updated versions of some old favorites and appear to be relatively easy with hints and suggestions to make something good...better.

Delicious recipes & cheaper than I saw it on a TV shopping channel.

This is amazing! It is full of many many fabulous recipes. I loved it so much that I purchased one for all of my friends as Xmas gifts.

Awesome book, delicious recipes on every page. Great buy.

Wasn't what I thought I ordered. But it's ok

Easy to follow recipes.
