## Customer Reviews

The quality and size of the posters are fantastic although some of the choices leave a lot to be desired. As the previous reviewer pointed out, it's 40 posters but 20 pages so you have to make some hard choices. The major problem is that the posters are alphabetical by comic title, so if you're an Avengers or X-Men fan, you are definitely not getting all their posters. One particularly egregious one is the page with FF#1 backed with FF#49, so you either take the iconic first issue or the story with Galactus's first appearance. More thought should have gone into the design. Anyway, since they don't list it here, this is what you get (/ indicates either/or) [Amazing Fantasy #15/Amazing Spider-Man #129](#) [Avengers #4/Avengers #57](#) [Avengers #87/Avengers #162](#) [Avengers #175/Avengers #223](#) [Captain America #1/Captain America #117](#) [Daredevil #181/Doctor Strange #10](#) [Fantastic Four #1/Fantastic Four #49](#) [Fantastic Four #57/Guardians Of The Galaxy #1](#) [Giant-Size Avengers](#)

#4/Giant-Size X-Men #1 Incredible Hulk #1/Incredible Hulk #181 Hulk King-Size Special #1/Iron-Man #128 Journey Into Mystery #83/Ghost Rider #5 Moon Knight #23/Nick Fury - Agent Of Shield #4 Power-Man & Iron Fist #50/Secret Wars #1 Silver Surfer #4/Thor #337 Tales To Astonish #35/Tales To Astonish #44 Wolverine (LS) #1/X-Men #1 X-Men 101/Uncanny X-Men #136 Uncanny X-Men #141/Kree Skrull War #2 (Wraparound cover) Also, the book says "easy to remove". They're not. Prepare to be careful with a boxcutter or x-acto knife. All-in-all, worth it if you just want 5 or 10 posters, but you may be a little perturbed at the only Spideys being back-to-back, a pretty generic Iron-Man, choosing between looking at Thor or Ghost Rider, and the gray Hulk over the Hulk/Wolverine cover.

The posters are nice but they are double-sided so you can only use half of them for wall art. Also, if you are looking for heroic art of Iron Man then don't look here. The only Iron Man cover is one where he is struggling with alcohol. The posters are 11 3/4" X 16 1/2".

I picked this up hoping it would be like the DC Comics posterbook, but was kind of let down with what I got. The posters in this book are bigger by a couple inches, but unlike the DC book, the posters are back to back rather than one poster per page, so if you want to display the posters like I did, you have to choose which cover you want to show. Also, the DC book's pages were perforated for easy removal while this book claims the same, but the pages are glued in so you might tear a few of the pages while pulling them out and you have to remove the glue from the edges. The covers are transferred over to poster size and the color is rich, but there aren't many current covers as in the case of the DC book which covered the big covers over the course of its 75 year history. All in all a good book but it could have been better.

I love the posters. However, they are double-sided. I purchased them to use as wallpaper and ended up having to buy two books so that I could use all the posters. They are durable and of good quality.

Made a great gift for a 15 year old boy. Only negative is the pages are printed on both sides so you have to pick the poster you like best to hang up.
