Customer Reviews

I just adore chicken and rice and this cookbook has so many great recipes for it you can't go wrong

with it. The Jamaican chicken and cold rice is fantastic and the chicken fried rice is out of this world.

Good recipes in this book that use simple, everyday ingredients normally found in a frugal person's kitchen rather than exotic and hard to find ingredients.

I liked some of the recipes like the chicken & rice recipe but then there are recipes that require different ingredients from different nationalities & its very hard to get some of those ingredients where I live. That's why I gave it 3 stars.
