What I like most about this book was the juice titles. LOL! They makes me smile. And itâ™s much more easier to distinguish which is which you need best. Like the hangover juice, wrinkle juice, wake up call juice and lots more! Not only that, ingredients are easy to find and they are easy to prepare. Come on! Letâ™s go Juicing!

I liked this book. Good recipes.It is a healthy way to lose weight not feeling tired but full of energy.Juicing is great way to trick your kids if you want them to eat something what they normally don't eat, like vegetables!! :)

This juicing techniques is a very convincing way of losing weight fast.This book will teach you all the tips and techniques of juicing.The tips are too easy to follow that everyone can easily get the instruction.I will recommend this book to all my gym buddies.If you are looking for a solution to get rid that excess fat.Then grab this book and follow all the author's instruction and see the results in a week.

Juicing is one healthy way of losing weight and I enjoy it so much. This book is a perfect addition to my recipe collection and I can't wait to try it soon. The steps are very easy to follow and the sample recipes has a good combination of the vegetables and fruits. I learned a lot of new juicing recipes and ideas after reading this.

It was a good book
