Customer Reviews

I'm pretty sure my style of quilting is crazy, too! It's always nice to find the same attributes in a fellow quilter. Since a couple of my kids spent time at the beach this summer, I decided to give Janet's 'Crazy Sand Dollars' a whirl through my sewing machine. All I have to say about that is OH HOW FUN!!!! I like to switch my quilt projects off and on so I don't become bored and then stifled by any one project (see, that shows my craziness already!). So I made a half-dozen 'Crazy Sand Dollars' quilt blocks and then put the pile away and will pick it up again when I'm ready to rotate to it. I don't even pick my fabric out all at once - scrappy suits me much better! 'What a Hoot' is on my to-do list. Those owls are just too darned cute to pass up! Not to mention the appliqued words - again, too cute to pass up! I could go on and on but suffice it to say I will probably be making nearly all of the

quilts showcased in this great book. I received this book in exchange for my honest opinion via this review. I would NOT have given it such a high rating if it wasn't worthy of such.

I am a long time fan of Janet Nesbitt's designs and this book represents some of her finest work. I am nearly finished sewing "Sand Dollars" and looking forward to my next quilt. The pattern is great, the instructions are easy to understand, and the results are stunning!

The projects in this book are created with what the author/designer calls "crazies" piecing technique. Kind of like stack and wack. So it is a very efficient way of cutting pieces for multiple blocks. The designs are beyond cute and festive. My personal fave is an owls on branches quilt that so fun!
