This was an interesting journey that surprised me in that, thinking that there might be some tutorials to go along with the photo's, this is instead literally 1000 photographs of cakes and cookies and cupcakes. Within the covers of this paperback book are full-page or half-page or quarter-page photographs of cookies, cakes, and cupcakes that will definitely inspire. Under each photo is the name of the person that created the baked delight. Though some of these credits will be just the names of the decorators, some will have the accompanying website that you can access for further idea's. If you do go to the websites offered, there you will find more photo's along with some beautiful tutorials and/or instruction as well as more information on the decorator. So with a little extra effort, your journey will take you to many parts of the world to learn more on the photo's that piqued your interest. Each photo is full color with wonderful detail. The book is set as such: First there are 5 sections of groupings that showcase each set of pictures and each photo has an accompanying number. Elegant Entertaining Baby and Child Holiday Just for Fun Weddings and

Engagements After the above groupings, the next section is "Frosting Recipes" for: Meringue Buttercream Simple Buttercream Ganache Royal Icing 2 Recipes for Fondant (as well as amounts needed to cover cakes) Gumpaste Marzipan The next section of the book is labeled "Image Directory" and this is where you look up the number of the photo which is accompanied by a very short description of the baked good, which might include what type of frosting used or cookie cutter, etc.
