# Dyeing To Spin & Knit: Techniques & Tips To Make Custom Hand-Dyed Yarns

## Synopsis

Inspire and unleash a passion for hand-crafted color! "Unapologetic" is how Felicia Lo always describes her obsession with color and craft. In *Dyeing to Spin and Knit*, Felicia, founder of SweetGeorgia Yarns and an in-demand teacher, gives clear and accessible guidance for creating gorgeous hand-dyed fibers and understanding how dyeing affects knitted yarn and knitted handspun. Fiber artists will learn the fundamentals of how color works, what to expect when working with color, and how to control the results when dyeing wool and silk yarns and fibers. Spinners will learn how to subdue overly bright colorways or prevent muddiness in handspun, for example. Knitters will have the knowledge to avoid pooling, if desired. And finally, this book will include 10 patterns that use hand-dyed (and handspun) yarns and fibers to their most exciting advantage in knitting projects. Chock-full of detailed photographs from Felicia's own dyeing studio, *Dyeing to Spin and Knit* offers a master class in preparing hand-dyed fiber. Ignite your love of color--unapologetically!
