Recently I offered to make an item to donate to raise capital for a dog rescue in Nevada. Having collected wool for nearly 10 years now, my desire has been to make a hooked and braided rug for more than 10 years. My goal is to make an artistic piece that will raise a nice chunk of change for the rescue of Saint Bernards. You can only imagine the food bill for these gentle giants...so I needed to find just the right book to do it right. Combining Rug Hooking & Braiding is the only book that I know of that explains how to make and combine both the hooked (a Saint's head in profile) and braided rug (around the outside) all in one rug. And it does so very well. The book I received is in new condition with pictures and good directions.

The book is amazing! It is filled with very basic "how to" sections and very advanced designs. Any braider or rug hooker would benefit from the book. A must have for any collection.

This book is fabulous. Whether you consider yourself a hooker or a braider you should have this book in your library. The directions and illustrations are excellent. The creativity the authors have included raises braiding to an art form.
