Customer Reviews

This book is an absolutely wonderful book to add to your plastic canvas pattern collection. Lots and lots of projects: treat holders, giftcard holders, picture frames, ornaments, a towel holder, coasters, totes, etc. Something to make for everyone in here.

This is a really great book. I have bought books that have many useless patterns that are weird and I'll never see myself making, however this book is not like that at all! There are so many great bright and simple patterns in here. There's coasters, wall hangings, note holders, napkin holders tissue covers and so much more! I love the versatility! There is something for everyone and there are different seasonal items as well.

I Love it. I already have made the Easter Door Hanger. I made it within just a couple evenings. Beautiful colored Book!!! I made many of the St.Patrick's Day Shamrock Pins for friends and family. I've made the background to the Autumn Corn Wall hanging. All the projects are so neat and yet so quick to make!! GREAT BOOK!!! Currently, my most favorite pattern ideas at this time!!

It was a very nice book, the patterns were not exactly what I wanted, I like big beautiful colorful patterns, these were cute but I don't know if I will ever make any of them. But I'm very satisfied with

EXCELLENT BOOK. PLAN ON MAKING A LOT OF CHRISTMAS GIFTS FOR FAMILY, FRIENDS AND CO-WORKERS. THIS HAS A LOT OF NICE PROJETS.

Love all these projects. Keeps me busy when I am in front of the TV...especially when hubby has the controller

I love this book. It has a lot of neat things to make. Very cute little baskets to put candy in. Nice coasters. Easy to do. Thank you. Came in good condition
