## Customer Reviews

I've been getting mailings from this yeshiva for years, and was excited to have all of my recipes in one place, and lots of great new recipes too. These are my go-to recipes for Pesach. The recipes are easy to prepare, yet they serve with flair. I love the way this book is laid out - it is gorgeous and easy to use! We especially like the Pulled Brisket, Balsamic Roast, Julienne Vegetables, Parsley Mandarin Salad, Strawberry Short Cake, Chocolate Chip Drops, Seared Tuna, Herbed Salmon with

Pineapple Mango Salsa, and Potato Meat Kugel. What I like about this book as compared to others is that there is a picture for every recipe, and that the recipes are made with normal ingredients that I usually have in my kitchen. Also, it is a large, oversize book and will make a nice hostess gift.

I have an embarrassingly large collection of Pesach (Passover) cookbooks, more than one for each day of the holiday, so I was a little hesitant to spend so much money on a new one. I went ahead and ordered it because the reviews were great and it looked so lovely. The book arrived less than a week before the holiday and it hasn't been out of my kitchen once. The recipes are high quality without being complicated and don't use a lot of processed (and hard to find) products. I highly recommend this as an addition to your cookbook collection.

A must have for any kosher home. Most recipes are delicious year round. I love the fact that none of them use matzo meal!!! I am so thrilled that this yeshiva put their recipes together in this beautiful book.

This book contained a good variety of recipes (mostly non-gebrokts with a small gebrochts section). Most of the recipes have easy to get Pesach ingredients and don't contain an excessive amount of steps. The small gebrochts section in the back also has great recipes! I would highly recommend this book!

Love this cookbook. Very doable recipes that are attractive and taste great!!! I have my old pesach cookbook for the staples, but this is for much more elegant, yet attainable, food. Good for company! Modern and current recipes!

I love the booklets received each year so much when this came out I got 4, 2 for myself and 2 for gifts. It's great to have the recipes I love in one book so I don't have to keep track of each booklet. I have not yet found a single recipe that didn't work so this is a definite favorite for Pesach and year round.

I look for Passover recipes that do not use matzoh meal which lends that distinct 'this is a passover recipe' flavor to the food. This book is loaded with them! Each recipe has a picture which is a must for me in a cookbook. Every recipe I have made so far has been delicious and a big hit with the family - and I am now using this book year round. (Side note it is a valuable source for gluten free

cooking). Definitely my go to recipe book now.

I have been getting the pamphlets from the Yeshiva every year and the recipes are FANTASTIC! They have clear instructions, every day ingredients and the results are always outstanding! They have become my family's favorites. I bought 2 copies; one for Passover and one for all year round.
