Sorted For Beginners

Synopsis

Beginners Get . . . Sorted, brought to you by Ben Ebbrell, Barry Taylor and the rest of the fabulous Sorted crew, is the perfect cookbook for those who want simple, fun and seriously tasty meal ideas! The Sorted crew are a bunch of childhood friends who decided to help each other with their cooking dilemmas when they all left home to go to university. Now they are 24-year-old graduates and are broadcasting their recipes to thousands of viewers and subscribers to their Sorted food channel on YouTube - the most popular cookery channel on the site. With 800,000 views a month, the Sorted recipe demonstrations help you knock up meal after meal of cracking food, seasoned with a healthy dose of fun. Whether a complete recipe rookie, a busy parent in need of inspiration, or a student faced with a small food budget, Beginners Get . . .Sorted will help solve all of your own kitchen dilemmas. Ben Ebbrell and Barry Taylor's cookbook is perfect for those in need of some cooking confidence and inspiration. The 'Sorted' gang came together in their university holidays, initially sharing their cookery ideas and woes, and then, in their spare time, becoming a huge youtube sensation. They also found time to self-publish two recipe books, A Recipe for Student Survival and A Rookie's Guide to Crackin' Cooking, which Penguin have combined to produce the ultimate guide for anyone who needs a little help in the kitchen.

I love Sorted food! I've made a few things out of here, some not as good as others, but they were easy and fun to make with good directions. However, it's a little annoying constantly converting things into standard units

This is a great beginning cookbook for pre-teens/teenagers who are starting to take an interest in cooking. (especially if they are budding Anglophiles). The recipes are broken down so they are easy, use few ingredients and they embrace shortcuts (Their version of Eggs Benedict calls for instant hollandaise sauce) which is great for the busy working parents. Many of their recipes can be seen in action on their YouTube channel for more step-by-step instruction.

Oh, my. My son was so excited to get this book for his birthday. My daughter has made me promise I will get her one for her birthday. the recipes look really good. I watch some of their videos on YouTube. They are funny and instructive. But the book was a big hit!

Every college freshman (well, more like sophomore for when you get out of the dorms to the apartments) should have this book. It's a fun, colourful, and easy-to-follow way to make basic meals and some not-so-basic but delicious ones. They're youtube channel really helps. It's a great reference for when you're lost or need to see what's going on.

:D i'm always watching the Youtube videos and its helping my knowledge with cooking, so i got this and i love it! been slowly but surely cooking some of the dishes in the book, along with editing some recipes to fit my taste.

There is barely a day we don't watch these guys' show. I even don't know if we really watch it for the food, or for the fun these guys really are. Comedy and excellent taste, what else can I say :) Makes a super Xmas present for my son who found the show online.

It is fun and easy to understand...Has a lot of different delicious recipes...You should try it, believe me...you won't regret it...
