Ugly's Electrical Safety And NFPA 70E, 2015 Edition

Synopsis

Ensure Your Jobs Comply with Important Safety Standards with Ugly's™ Electrical Safety and NFPA 70E®, 2015 Edition! Ugly's™ Electrical Safety and NFPA 70E®, 2015 Edition is the market leading pocket-sized reference manual for electrical safety. Based on NFPA 70E 2015, this new edition summarizes current OSHA regulations as well as the National Electrical Code®. Designed for electricians, engineers, contractors, designers, maintenance workers, inspectors, instructors, and students, this invaluable resource provides fast access to the most commonly referenced sections of the latest NFPA 70E and related safety standards. Important updates in the 2015 NFPA 70E include:

- Arc flash hazard analysis is now arc flash risk assessment
- Hazard/risk category (HRC) is now arc flash PPE category
- A new table has been added to identify when arc flash PPE is required
- A new table has been added to determine the arc flash PPE category

Customer Reviews

always like stay on top of safety codes it better to look after ones self then to depend on others which could be wrong & you could be the so call fall guy....strong enough tell them to look at up date.

Ugly's has always been a great reference for the electrician. This is no different. Major help in answering safety issues on the fly.

Good pocket reference to 70E

Great Info; concise and to the point! Great for students and professionals alike who need a quick reference or for learning the fundamentals of NFPA 70E.

Love these reference books and use this one in one of my classes. Ugly's should send them to me free. Great, handy pocket references.

I love the Ugly's products. I never use a different kind to do anything.

Bought for fellow co-worker and he loves this book, very helpful.

Informative. Easy to use. Fits in jacket pocket
