Simple Quilts From Me And My Sister Designs: Easy As 1, 2, 3

Synopsis

Known for their exciting use of color in quick and easy quilts, sisters Barbara Groves and Mary Jacobson present a value-packed collection of popular projects. Select from 12 strikingly simple quilts and recharge your creative batteries. Discover skill-building projects that move from squares and strips to designs featuring stitch-and-flip corners, half-square triangles, pinwheels, a Rail Fence layout, and more. Enjoy patterns that are just right for quilt retreats and make-in-a-weekend gifts.

Customer Reviews

The authors offer down to earth advice on choosing fabrics. Great for fat quarters and other specialty cuts. They may be simple to piece quilts but they look quite impressive.

Way overpriced. Cute fabric with uninspired designs. No directions for finishing. I've found better designs and more comprehensive directions free online.

I don't like buying quilt mags or books from the internet but this one sounded great. When I got it I was disappointed. It is very simplistic and boring. I could have gotten the patterns free online. I will stick with my policy of not buying quilt or craft books online.

The patterns range from very beginner to more complex, though everything is within reach even for a new quilter. Not as complete in that the patterns refer you to a website for tips on binding and quilting your quilt, instead of including General Instructions in the book as their "3 Times the Charm book 2" does. Still, gorgeous fabrics and easy to follow instructions.

This is a great book for beginners. Making one of these quilts will give you a sense of accomplishment, knowing that from beginning to end it is fun and the directions are easy to understand. I am a quilter with 30 years of experience and I don't always want an involved quilt. I am presently making a baby quilt from one of these patterns. It is going quick for me and I am really enjoying my quilting experience. Thank you for this book. I love it!

Wonderful, easy and colorful book for beginner quilters. Makes quilting fun and easy. This book sells out over and over again in our local fabric store.

I was not impressed with this book at all. I want to return it but it is just too much of a hassle.

This is a very helpful book for patterns for the new quilter. The styles are easy to master and the instructions well written.
