The PowerScore LSAT Logical Reasoning Bible Workbook (Powerscore Test Preparation)

Synopsis

The PowerScore LSAT Logical Reasoning Bible Workbook is the ideal companion to the PowerScore LSAT Logical Reasoning Bible. While the LSAT Logical Reasoning Bible provides the conceptual basis for understanding logical argumentation, recognizing the various question types, approaching the answers, and applying other general strategies, the LSAT Logical Reasoning Bible Workbook is specifically designed to test and reinforce these techniques and strategies. This is not a how-to manual, but rather a traditional workbook designed to reinforce the techniques and approaches that will enable you to master the Logical Reasoning section of the LSAT. The workbook is intended for use after reading the PowerScore LSAT Logical Reasoning Bible. No Logical Reasoning question or drill in this book was used in the LSAT Logical Reasoning Bible and the material doesn't overlap with anything you will have already encountered. The LSAT Logical Reasoning Bible Workbook is 244 pages long and begins with a full chapter of practice drills followed by an answer key explaining each item. These drills are designed to reinforce and improve upon the specific skills and approaches necessary to successfully attack the Logical Reasoning section. The section of practice drills and explanations is followed by five actual LSAT Logical Reasoning sections presented in their entirety from officially released LSATs. There are over 125 LSAC-released Logical Reasoning questions in all, followed by complete explanations of each stimulus and every corresponding question and answer choice. If you choose to do any or all of these sections under timed conditions, this gives you the opportunity to emulate actual testing conditions, allowing you to apply the full range of your Logical Reasoning strategies while also focusing on your pacing under time pressure. The following Logical Reasoning sections are included in the workbook: Section One: Practice Drills and Explanations Section Two: PrepTest 44: Logical Reasoning Section I Section Three: PrepTest 45: Logical Reasoning Section II Section Four: PrepTest 47: Logical Reasoning Section II Section Five: PrepTest 58: Logical Reasoning Section I Section Six: PrepTest 58: Logical Reasoning Section II
