Lincoln Cents Folder #1, 1909-1940

Synopsis

Lincoln Cents Collectors Folder 1909-1940

Book Information

Series: Official Whitman Coin Folder

Hardcover: 3 pages

Publisher: Whitman (December 1, 1996)

Language: English

ISBN-10: 0307090043

ISBN-13: 978-0307090041

Product Dimensions: 0.2 x 6 x 7.8 inches

Shipping Weight: 3.2 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (136 customer reviews)

Best Sellers Rank: #10,758 in Books (See Top 100 in Books) #6 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#) #14 in [Books > Crafts, Hobbies & Home > Crafts & Hobbies > Reference](#) #1688 in [Books > Teens](#)

Customer Reviews

The nice, lock-in feature prevents your coins from falling out of the folder, while holding them in a nice layout. The only drawback is you cannot see the reverse of the coins when they're in the folder.

Whitman Lincoln Cents collection (1909-1940) is a good quality folder for the new and old collectors alike. Each of its 3 pages has 30 slots for holding a total of 90 coins minted during this area. Each slot has printed below it the date and mint of the coin it is intended to hold and how many of the coin was minted. This folder also has one extra slot at the end labeled "varieties" for either displaying the back or some other special coin you may have. Read the directions and inserting the coins is no problem. My only note is that this may not make a great "tooth fairy" album because most of the coins needed for it are harder to find (wheat pennies and war pennies) but if you have a huge 5 gallon bucket of old pennies your great grandfather collected this is probably for you =)

This item was purchased by my son. He likes them except the pennies are kind of hard to get in the folders. The pennies are easy to identify in which slot they are to be inserted. Overall, he is happy with this purchase.

I used this product to store the pennies I took effort to collect, and it was fun. Now I have given the product and enclosed pennies away and am satisfied with the project it involved. - Dave Chiddix

Although you can get nicer penny collection books, this one is GREAT for getting organized and starting out. Especially if you are unsure about your new hobby and don't want to invest a lot of money in it yet, this is an easy way to start learning. My 6 yr old son collects coins and this has been a great resource for him to keep straight what he has so far. I highly recommend this folder!

Does what it's suppose to do and that is store your wheat pennies and keep them safe just a heads put mine had a hole in the back of one of the coin slots no big deal but it was slightly worrying when first opening up the package. As for if I would recommend this product to others most definitely although being cheaply made it does what it is suppose to do and at good price. Also it had free shipping!

I bought the entire collection of these folders that is available at the moment. They all arrived within a day of each other, as expected. New users may think they seem small but they are a very compact and inexpensive way to keep your coins organized. A great tool for the beginner or the experienced coin collector. Be sure to lay the binder on a flat, hard surface like a desk or kitchen counter when entering your coins and you should have no problems.

Well put together and at a decent price. This is what I used and my grandfather used when he was a kid. Whitman has been around for a long time and they do a good job. The reason I only 4 stared was because after a couple of times of removing a coin it doesn't keep it tight. Great product.
