Pancakes A To Z (A To Z Cookbooks)

Synopsis

A piping-hot stack of buttered pancakes drenched in maple syrup is an all-American image. But the age-old tradition of preparing pancakes comes from countries all around the world—from the crisp lentil patties of Southern India to the buckwheat blini of Russia to the delicate crêpes of France. Pancake recipes range from the savory to the sweet, and over 45 simple yet imaginative variations can be found in *Pancakes A to Z* by award-winning cookbook author Marie Simmons. Effortlessly perfect food has become the trademark for *Bon Appétit* and Los Angeles Times Syndicate columnist Marie Simmons. In her 12th book, *Pancakes A to Z*, she applies her knack for dazzling combinations to the versatile pancake. Marie starts with the basic formula for the all-American pancake and lets her culinary imagination take over from there: adding buttermilk lift; or stirring in sour cream, cottage cheese, applesauce, or yogurt to make the pancakes richer, more tender, sweetly moist or tangy; folding egg whites

If you want to give yourself or someone else breakfast in bed, this is the book for you -- the recipes are beautifully presented, simple, and the ones I've tried are utterly delicious. I recommend the Blueberry Buttermilk Pancakes w/Blueberry Sauce and the New Year's Eve Popover Pancake W/Smoked Salmon & Dill Butter -- both are heavenly. This is a perfect little book to give someone as a gift. Enjoy!

The beginning of the book offers a few common-sense suggestions to help make your pancake-making easier. Things like heating the pan first. You won't find any Nobel prize-winning discoveries here, but you might find yourself saying, "oops, I guess I should really try to remember that more often."

•Apple Cottage Cheese Pancakes! These are remarkably light, fluffy, and delicious. I'm not sure why, as somehow I would have expected the cottage cheese to make them heavy rather than light, but it works. The Banana Sour Cream Pancakes with Cinnamon Maple Syrup are yummy. Some of these would work quite well as dessert: Kaiserschmarren with Plum Compote, for example. If you aren't in the mood for breakfast, make the Egg Pancake (not a pancake made with lots of egg in the batter, but a pancake-shaped egggy thing). It comes with an "Asian Egg Pancake" variation involving sesame oil and sesame seeds. The Fresh Corn Cakes with Tomato Salsa are fantastic! You'll also find Ginger Carrot and Sesame Pancakes, Indian Spiced Red Lentil Cakes with Coconut Raita, John's Crepes with Mushrooms Spinach and Cheese, New Year's Eve Popover Pancake with Smoked Salmon and Dill Butter, and Zucchini-Ginger Pancakes with Thai Dipping Sauce. So whether you eat them for breakfast, dinner, dessert or, heck " why not lunch? " you'll get more than you bargained for with this cookbook.

I have enjoyed all the A to Z titles. The Pancake book is my favorite by far. I have an almost endless variety of pancakes and variations to try for the next year or so.

Gotta make the Dutch Baby! Has two of the most standout recipes there could ever be for pancakes. (of the ones I've tried so far)

This was exactly what I wanted. It's a gift for my son-in-law who is a budding pancake chef!
