I'm a big fan of Taste of Home and I wasn't let down with this cookbook. The chapters covered: Festive Appetizers, Holiday Parties, Joyful Brunches, Christmas Dinner Menu, Merry Entrees, Jolly Sides, Glorious Breads, Yuletide Cookies and Bars, Heavenly Desserts, Candy

Sampler, Gifts from the Kitchen and Thanksgiving Gathering. Although it is advertised as a Christmas book, there are a lot of everyday and special recipes you can use all year. Taste of Home books have recipes contributed by REAL cooks, so they tend to be good! Like Gooseberry Patch, they tend to repeat recipes, but with 465 recipes in this book, I didn't find that to be a problem--it just makes it a handy reference for old and new. MANY new recipes and even a few crafts/decorations and tips. I would recommend the Tomato Walnut Pesto Spread, Cookie Dough Truffles, Crispy Peanut Butter Balls, Sweet Potato Casserole, among others. I'm very excited to try the Fast Coconut Shrimp, Almond Pastry Puffs, Garlic Baby Potatoes, Coconut Crunch Cookies and Nutty Marshmallow Puffs (for starters). The photographs in this book are lovely and enticing. It is very important to me that cookbooks have pictures of the recipes, and this one has a picture for almost every recipe. The recipes are well laid out (not cut to other pages making it hard to reference), use accessible ingredients and are easy to follow. I cook and bake every day, but I will pass most cookbooks on after I have culled a few recipes from them. This one I'm keeping!

I collect cook books hoping some day to find the perfect cookbook for my southern upbringing and easy enough for most of us. I knew this one had to be at least good because it is published by Taste of Home. They are all pretty good, or better. This one is the Christmas and Holiday cookbook. I don't see anything in it that I couldn't come up with to take to a pot luck holiday gathering. One good idea is looking at the book and if in a hurry...do it semi-homemade. The holidays are coming up and the book has a special feature of holiday crafts to make your table beautiful and inviting. Beautiful things made from clear containers with Epson Salts for snow and a sprig of evergreen. How hard is that? Nothing more personal than simple place cards with guests' names spruced up with a little something. This book would also be good for the newly wed who hasn't yet gotten their dish repertoire together. I am writing a lot about this book because it is a great one and good ones are hard to find.

The Taste of Home Christmas: 465 Recipes For a Merry Holiday! cookbook is filled with plenty of beautiful photos and delicious sounding recipes. You will find friendly and sometimes funny introductions accompanying the recipes. There is an interactive table of contents making navigation easy. Some of the recipes you will find in this cookbook include: Smoked Salmon Appetizer
Crepes
Bacon Cheese Spread
Orange-Cranberry Coffee Cakes
Apple Pie Jam
Filet Mignon with Red Wine Sauce
Vanilla Chai Tea
Raspberry Chocolate Cheesecake
Angel Food
Candy

I have never been disappointed with any Taste of Home cookbook I've bought, and this one is no exception. Its soft-cover and about 3/4 size of the ToH hardcover cookbooks they put out every year. I noticed a few overlaps between this book and the dozen or so ToH cookbooks I already own, but its ever so nice to have holiday recipes all in one book. This cookbook includes recipes for breads, appetizers, brunch and dinner, side dishes, cookies/bars, desserts and candies, plus recipes for things you can give as gifts (including those jars with cookie ingredients in them) and even a section on Thanksgiving recipes, despite this being a Christmas cookbook. It has full color wonderful pictures with just about every recipe, plus it has the added bonus of instructions/ideas for decorating your table for parties, etc. The recipes range from pretty darn simple to a bit fussier. Something for every homecook no matter their experience level. This book definitely got me in the holiday mood and already thinking of my next party, since I want to try out so many of the recipes. Heck, I might even try and make one of the fruitcake recipes in here...that's how much I trust ToH to come up with good recipes! Once again, ToH has produced a beautiful cookbook. A definite keeper and one I will likely be ordering more of to give as gifts in future.

My mother is an awesome cook and loves cookbooks. I gave her this one for a little thanksgiving gift and she loves it. Taste of Home cookbooks are really nice. Easy recipes with beautiful illustrations.
