Foster's Market Favorites: 25th Anniversary Collection

Synopsis

Sara Foster's love of Southern fare began in her Granny Foster's Tennessee kitchen. There, the combination of down-home comfort, fresh-from-the-farm ingredients, and dedicated preparation hooked her for life. Now, in *Foster's Market Favorites: 25th Anniversary Collection*, Sara Foster serves up more than 150 recipes and 125-plus images from acclaimed photographer Peter Frank Edwards, sharing with readers the dishes that have kept diners coming back to the beloved Durham, NC eatery that she opened in 1990. In *Foster's Market Favorites*, the award-winning cookbook author and restaurateur continues the tradition of soulful yet simple, seasonally inspired cooking, where tradition meets modern. These fresh, satisfying creations are casual enough for everyday family meals, but special enough to serve friends and guests. Some of Sara's mouth-watering recipes include: Pimiento Cheese Puffs, Pecan Sweet Potato Sticky Buns, Chicken and Black-Eyed Pea Soup, Pickle-Brined Fried Chicken with Sriracha Honey, Chile-Braised Pork Shoulder with Taco Fixings, Heirloom and Shell Bean Salad with Sherry Vinaigrette, Dark Chocolate Buttermilk Bread Pudding with Bourbon Hard Sauce, and Brown Sugar Apple Crisp with Crumb Topping. *Foster's Market Favorites* is an all-inclusive collection of Southern cooking in which simple feasts meet artisanal ingredients, traditional tastes meet modern methods, and fantastic flavors make every bite a succulent mouthful of Southern comfort.

Customer Reviews

A sumptuous feast for the eyes and palate, *Foster's Market Favorites* is a delightful cookbook sure to become a favorite. From old favorites done right such as roasted vegetables, Tortillas and Simple Herb Spaghetti with Greens, Pesto and Parmesan, to new, bold flavors such as Roasted Chicken

and Bread Salad with Pan Juice Vinaigrette or Thai-Style Pot Roast with Fat Noodles, there is so much to choose from. The Potato Leek Soup was a touch on the bland side for me, but that's easily fixed. On the other hand, the Lemon Bars are divine! Herb Cheddar Biscuits are sure to become a guilty pleasure (2 sticks of butter in the dough as well as the cheese!), and Savory Cheese Crisps just made it on my Christmas Eve Snacks for Supper list. The book is great quality, and the photographs are superb. Holidays are coming...this could be just what that Southern food loving person on your list needs! I highly recommend it. I received a copy of this book from Story Farm, LLC for my honest review. All thoughts and opinions are my own.

Foster's Market Favorites is truly an incredible book. With recipes like Pimiento Cheese Puffs, Pecan Sweet Potato Sticky Buns, Pickle Brined Fried Chicken with Sriracha Honey, Bananas Fosters Bread (I want that baking tin) Dark Chocolate Buttermilk Bread Pudding with Bourbon Hard Sauce, those Herb Cheddar Biscuits on the cover (drool) and international flavors as well - Thai-Style Pot Roast with Fat Noodles, Ginger Chicken Stew, Spicy Meatballs and more -- it's really a stunning book with beautiful photographs. I sometimes am disappointed in Southern cookbooks but this one is truly unique and special. Sara Foster's recipes always have worked for me and this book is no exception.

This one gets MVP placement on my cookbook shelf! Sara's cookbooks are my go-to on a daily basis and have made me a better cook and baker. Foster's Market Favorites does not disappoint one bit. It's Foster's Market all grown up and I will cook from front to back. The Sloppy Joe casserole is already a favorite and had friends snapping photos of the the book cover for reference, and don't be fooled by the enormous biscuit on the cover or the words "sloppy joe"...the recipes are about healthy, good for you, cooked at home food! Love a visit to Foster's whenever I get the chance-there's no place like it!

Love the recipes but this is the worst kindle version. Very much a pain to find things. Only way to search was to keep turning pages. Not great get it fixed!!! ^•

This is a great cookbook with a lovely variety of recipes. I've already made the lasagna which is delicious and the BLT salad which is a winning recipe. There are many other recipes I intend to produce in the months ahead. The soups look fantastic with some unusual combinations that you just know will taste great. The imagery is also excellent along with commentary on many of the

recipes. You will definitely enjoy having this book in your cookbook collection!

She is so talented and the recipes are original and easy to incorporate into your week. I have also eaten there and it was a great experience. Sadly, I did not get to meet her.

What a great book from Sara Foster. Not that her others have not been they have. But there's something about this one that just screams Foster's. Bravo !

First I have to admit that I have not cooked from this book as yet. Got it Christmas and have not done much cooking lately. The book is a beautiful Addition to my collection. Looking forward to using it.
