## Customer Reviews

Being from southern Louisiana, I can attest to the authenticity and quality of these recipes. Made the red beans and sausage recipe for my husband. Although he does not care for traditional red beans and rice, this is now one of his favorite meals. Every recipe we have tried has had that special flavoring that makes it a favorite. There are few cookbooks whose recipes I can make for the first time without reservation. This is one of them. Great buy. Great gift.

I have the set of all 4 Lafayette Junior League cookbooks. This one looks great on the counter or coffee table :) AND has lots of easy and great recipes. The Marinated Shrimp Tortellini and the Oven French Toast are our most favorite and we make them often. Lots of good choices and too many other favorites to mention!

This is the best cookbook I've ever received. The book contains set menu ideas for each occasion (holidays/ baby showers/etc) with pictures of each dish served. The book makes you look like a pro in the kitchen. I have yet to make anything that wasn't a hit. The meat pies, crawfish fettuccine,

brisket are a few of the family favorites. The recipes do feed a crowd so if your family is of 4 or less, you will have leftovers or enough to freeze for another day. I've started given this book as a gift too. If that isn't a ringing endorsement, I don't know what is.

This cookbook is absolutely wonderful! I am from Louisiana, and I truly value this cookbook. I haven't made a dish yet that my fiancé and I haven't said "Wow, this is amazing!" I would recommend it to anyone!

This is my "go to" cookbook! I keep it out on my cookbook stand because I use it so often. The Oven French Toast, Hot Mexican Spinach Dip and Touchdown Trail Mix are always huge hits with everyone. I definitely recommend this book!! The recipes are not difficult, yet the food is always impressive! Something to Talk About

This is a great cookbook from the Talk About Good! Series from the Junior League of Lafayette. The Shrimp Grillades and Jalepeno grits are "to die for". This is a great update on the original Cajun Cookbook, Talk about Good! . The menus are great, and the photos are beautiful. Do yourself a favor and buy this book!

Its okay. I didn't find too many recipes that I just couldn't wait to try. Maybe I need to pick it up and look at it again. You just can't be their initial cookbook, "Talk About Good."

Easy to follow recipes. Very good meals that everyone will enjoy.
