Excellent results for my daughter on her AP test. She used this guide to study and she went in confident and felt prepared. Test was exactly as the book prepared her for. She was extremely pleased with the test and can't wait to see her results when they come in.

Human geography ordered for my kid, excellent book for first time entry level

I teach AP human geography and this has been helpful for my students. The information is a bit basic, but so far so good.

Very good book for AP Human Geography test prep however I would recommend the Princeton Review over this book any day.

Ordered this for an AP class my daughter is taking in High School, and she said the book is easy to follow, easy to read.

Great guide for the ap tests! I buy these every year for my son to study for AP exams.

Daughter needed for school. Was what teacher wanted so it's been working out fine.

This book got me a 5 on an exam I was positive I was going to fail
