Customer Reviews

As I read through this book, I found clean, fresh, healthy slow cooker recipes bursting with flavor that are, as this book says, 100 percent natural and that will rev up your metabolism. The wheat belly diet expounds on a practical and sustainable way to nourish our bodies to maintain life-long health, physical performance and overall wellness. These recipes were able to show me that the secret to the healthiest and tastiest meals is using fresh, natural, organic and wholesome ingredients. All the things I needed for this wheat belly diet.

After reading the introduction of this book, I was convinced that I wanted to reduce the amount of wheat that I consume. The author clearly convinced me of the importance of cutting back or completely eliminating wheat from my diet. This is more than just a book of wheat free recipes. It has plenty of educational content on why too much wheat is bad for you.

Leaner body is what everyone's need and we can only achieve that if we will do diet and exercise. If you are looking for a diet program that is very effective you must try this grains recipes. This wheat belly is a summary of all delicious wheat recipes that will remove big belly in our body. You must try it now before its too late.

Excellent! The writer provides very new-to-me type of information on the benefits ongoing full wheat. No only does it help you lose weight, which let alone is amazing the book makes you healthier mentally also. This book has really helped us get all of that under control. It took a lot of the guesswork out of what she should and should not be doing/eating. Now that we've followed everything here, she is much better and has seen great improvements in weight loss as well! This book made me happy. This book is for you.

Of all the cookbooks that I have purchased, I can say that this recipe book is one of the best. Wheat belly diet has a lot of benefits to our health and one of them which is the reason why I am on this diet is the ability to treat digestive tract disorders. I have been having digestive problems for how many months now but this book just gave me the hope that it can be cured. Really amazing!

I'm so glad I read this book. Anyone interested in their health needs to read this book. Absolutely fabulous! I'm sure nearly everybody will see a big improvement in their life! I believe wheat is the root cause for most of our illness in this country. Recipes are easy to prepare as well as easy to follow. Please read this book for your own sake!
