# A Kid's Guide To Native American History: More Than 50 Activities (A Kid's Guide Series)

## Synopsis

Hands-on activities, games, and crafts introduce children to the diversity of Native American cultures and teach them about the people, experiences, and events that have helped shape America, past and present. Nine geographical areas cover a variety of communities like the Mohawk in the Northeast, Ojibway in the Midwest, Shoshone in the Great Basin, Apache in the Southwest, Yupik in Alaska, and Native Hawaiians, among others. Lives of historical and contemporary notable individuals like Chief Joseph and Maria Tallchief are featured, and the book is packed with a variety of topics like first encounters with Europeans, Indian removal, Mohawk sky walkers, and Navajo code talkers. Readers travel Native America through activities that highlight the arts, games, food, clothing, and unique celebrations, language, and life ways of various nations. Kids can make Haudensaunee corn husk dolls, play Washoe stone jacks, design Inupiat sun goggles, or create a Hawaiian Ma'o-hauhele bag. A time line, glossary, and recommendations for Web sites, books, movies, and museums round out this multicultural guide.

## Book Information

Series: A Kid's Guide series

Paperback: 256 pages

Publisher: Chicago Review Press; Act Org edition (November 1, 2009)

Language: English

ISBN-10: 1556528027

ISBN-13: 978-1556528026

Product Dimensions: 11 x 0.5 x 8.5 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #248,831 in Books (See Top 100 in Books) #15 in [Books > Cookbooks, Food & Wine > Regional & International > U.S. Regional > Hawaii](#) #204 in [Books > Children's Books > Geography & Cultures > Multicultural Stories > Native North & South Americans](#) #376 in [Books > Children's Books > Biographies > Multicultural](#)

Age Range: 7 - 9 years

Grade Level: 2 - 4

## Customer Reviews

I got this book from the library to see if it would help with a homeschool unit on Native American history. The crafts look enjoyabe. Even though this is a "native american" history book, I would not

use this exclusively for the lessons. It does break down the tribes by region, but there is not much in the way of illustrations to go with the stories. It is also interesting to note that in the map, WV is completely left out of the country. It does not show up in the Northeast, Southeast, or Midwest region. It is as if there is a hole in the country where WV was. I will use this for some crafts and maybe a few stories to supplement other resources, but it isn't something to be used on its own to teach. I am glad that I got it from the library and that I didn't buy this one.

This book is an absolutely wonderful alternative to most Native American craft books. They make an honest attempt at showing as many of the Native tribes as possible, and never once do they suggest making a headdress. In fact, they even start the book off with a discussion about stereotypes and what the reality is. I truly wish this book would become a staple in teaching about Natives, even if it's just used at Thanksgiving. It treats Natives as a people, not mascots. It's very, very refreshing.
