Edible Wild Plants And Herbs

Synopsis

Exquisitely illustrated with full-color paintings of all the plants and herbs in the book, ranging from dandelion and sorrel to sea beet and samphire, *Edible Wild Plants and Herbs* is both a cookbook and field guide to the identification and use of foodstuffs from the wild. There are almost 400 recipes covering nearly 100 different plant varieties and the illustrations, drawn from life by one of the country's leading botanical artists, show the edible parts of the plants at their peak time for picking. In addition there is a calendar indicating what plants to look for at each season of the year, information on where the plants are found and how to identify them. Exquisitely illustrated with full-color paintings of all the plants and herbs in the book, ranging from dandelion and sorrel to sea beet and samphire, *Edible Wild Plants and Herbs* is both a cookbook and field guide to the identification and use of foodstuffs from the wild. There are almost 400 recipes covering nearly 100 different plant varieties and the illustrations, drawn from life by one of the country's leading botanical artists, show the edible parts of the plants at their peak time for picking. In addition there is a calendar indicating what plants to look for at each season of the year, information on where the plants are found and how to identify them. In the past the home kitchen provided a family with all its medicines and cosmetics as well as its food, wine, pickles and preserves. Our ancestors were resourceful and imaginative and very much in tune with nature; this book recaptures their harmonious, sustainable way of life by setting down for the modern reader all that knowledge and lore. There are recipes for soups, sauces, main dishes, salads, pickles, jams, sorbets, as well as teas, syrups and lotions. Published originally in 1980 under the title *All Good Things Around Us*, this book became a classic work on the subject. It has been entirely revised and updated and redesigned with new recipes and information.

Book Information

Hardcover: 240 pages

Publisher: Grub Street Cookery (August 21, 2008)

Language: English

ISBN-10: 190494373X

ISBN-13: 978-1904943730

Product Dimensions: 9.1 x 0.9 x 10.2 inches
