# Cookin' It With Kix: The Art Of Celebrating And The Fun Of Outdoor Cooking

## Synopsis

It's time to celebrate life and the joy of good food! We're talking tailgating, BBQ-ing, and parties on the patio for 2 or 20! *Cookin' It* with Kix by country music icon and radio/TV host Kix Brooks showcases and highlights the All-American pastime of celebration and cooking outdoors for family and friends. With his Southern sense of humor and good-natured personality, Kix breaks down the art of a perfect steak or chop, the proper Southern side dishes, and amazing desserts and drinks that will make your mouth water and your stomach smile. With easy-to-understand recipes, Kix Tips, and tons of ideas, his Louisiana heritage shines through as he shares some of his treasured family recipes and the stories behind them. This book will give you what you need so you can throw down a delicious meal off the grill for you and your family or be the king at your next party.

## Customer Reviews

I honestly never thought that this cookbook could be good. It is not good, IT IS OUTSTANDING! I am actually an aficionado of America's Test Kitchen cookbooks because they tell me exactly what to do in much detail. This cookbook doesn't provide tons of detail, but it provides enough detail, and so far, every recipe that I have tried has turned out beautifully. I have lived in Nashville for 50 years, and even though I should be able to, I have never conquered lemon bars or had them turn out well. I just made them tonight, and they are fantastic. Now I don't have to purchase them from a local tea room anymore at exorbitant prices. You would also think that I should be able to make Iced Tea well. I can make it if I boil the water, brew the tea, and then cool it in the refrigerator for 8 hours. This

cookbook has a simple tea recipe that is ready in 10 minutes. I have made it at least 5 times in the last week, and it has transformed my tea making. It is a recipe that I will pass on! I know it sounds ridiculous, but it has restaurant quality results. The only recipe that I don't think that I will attempt is Squirrel Stew! Anyway, it makes me mad that Kix Brooks is a talented musician, a winemaker, a seemingly very nice and humble person, and now a great cookbook author. I don't think that it has an index which is something that it could use. This is a genuine review, and I never dreamed that I would write a review of this cookbook or a cookbook of a country music singer!

Having lived in Louisiana, I can appreciate this cook and his many stories of places and family ties. I have also had the opportunity to visit the winery in Virginia, what a perfectly beautiful setting, nice fruit wine. My two sons were at Louisiana Tech at the same time that he was.

Great recipes good stories

It is what I was looking for. Thanks
