Customer Reviews

Love the drawings and the whimsical nature of this book. Inspires ideas of your own and some interesting recipes that I might do. The cover is also very interesting and nice, it is like a thick vinyl or something kind of rubbery, not sure how to explain, but it is like a relief of quaint drawings/design that I really like a lot and didn't know from the picture on that that's how it was, it was a pleasant surprise! I will probably order her other books of Vintage Tea. God bless you all.
